# Helping Children Grow Up

*A Video Course and Discussion Group facilitated by Flora Purcell*

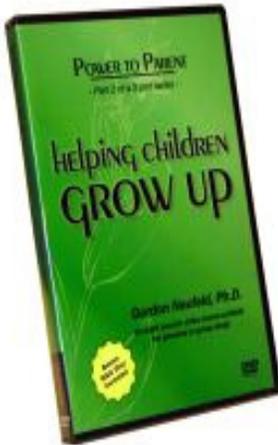

---

**Dates:** Eight Monday evenings May 6th to June 24th

**Location:** Mount Pleasant Family Centre 2910 St George St. @ East 13th Ave Vancouver

**Fees:** \$ 80.00 per person

### Topics Include:

Building on the foundation of relationship in Part I of the series, The Vital Connection, this sequel focuses on how to help children realize their potential as human beings. Growing older is no guarantee of growing up. Childhood is when most of the growing up should occur but we need to know how to cultivate the maturing process. This course sheds light on the adult's role in the miracle of maturation.

**Dr. Neufeld's approach has the power to change, if not save, the lives of our children....**

This video-course has been developed by internationally renowned developmental psychologist Dr. Gordon Neufeld, a best-selling and award-winning author. His revolutionary yet scientific approach turns parenting right-side up, restoring natural intuition to parenting and putting parents back in the driver's seat.

His book, *Hold On To Your Kids* is causing an international stir and is now available in eight languages. This video-course takes the best that science has to offer and renders it readily accessible to parents of children of all ages. Dr. Neufeld's approach has won powerful endorsements from such luminaries as Dr. Daniel Segal, Dr. Mary Pipher, Raffi, Dr. Peter Levine and Robert Bly. For more information about Dr. Neufeld or his approach, visit his website: [www.neufeldinstitute.com](http://www.neufeldinstitute.com).

Flora works at the Mount Pleasant Family Centre. With a background in Nursing, Counselling, and Group Facilitation, she provides support and education to parents at the centre. She also provides training and workshops for parents and Family Resource staff throughout the city. Flora firmly believes in helping parents recognize and satisfy children's developmental needs, in order to promote healthy behaviour. By providing support to parents Flora works to help parents provide for their children's emotional needs and enjoy their growth.
